Brotherton

Appalachian Brewing Company

50 N. Cameron St.

Harrisburg PA 17101

Dear prospective sponsor:

On Saturday April 11, 2026, Harrisburg Keystone Rotary Club will hold its 7th annual Capital City Cornhole Classic, our largest annual fundraiser, at Appalachian Brewing Company in Harrisburg. It's a fun way for cornhole enthusiasts to break cabin fever and compete with players from around the area.

We're asking you to consider sponsoring our event. Sponsorships are available for as little as \$250 and come with a variety of benefits. Details of our three sponsor levels are attached **and are unchanged from 2025's levels.**

The round-robin tournament pits two-person teams against a full bracket of competitors, with each team guaranteed to play at least two games. The top teams will play through the double elimination bracket until we crown the tournament's top players. Players and guests may also enjoy a buffet, one complimentary beverage, and a cash bar featuring their favorite ABC brews. **In a new change, teams will select a Rotary Club of their choosing to receive a donation in their name in lieu of cash prizes this year. Our hope is that this change will make the event more competitive while also supporting the charitable intent of the event for our community in South Central PA!**

Tournament proceeds benefit Harrisburg Keystone Rotary's international and local service projects, including vocational programs at Steel High High School; placing benches at Historic Midland Cemetery; the [Hop on The Bus](#) project for students in Monrovia, Liberia; furnishing an apartment for an area homeless family through Brethren Housing; and leadership training for Steelton-Highspire School District youth.

Join us this April 11 and help the Harrisburg Keystone Rotary Club as we help communities both in our own backyard and around the globe!

Yours in Service,

Harrisburg Keystone Rotary Club
